# Inspiring the next generation ...developing sports champions

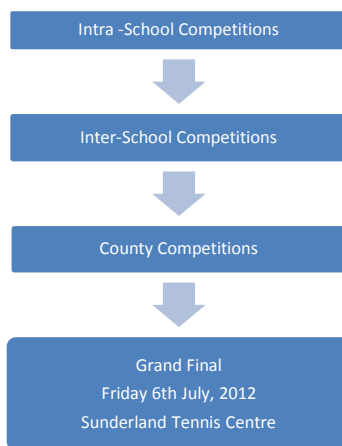

## TBSF Tennis Challenge Cup

The Tony Blair Sports Foundation Tennis Challenge Cup is a competition run for Year 3 children and below with the aim of encouraging young players to gain an enjoyment of tennis and a realisation of the game itself. It is all about taking part and having fun!

The competition is played in two rounds. In the first round the girls play a series of Mini Tennis Matches against girls from the other participating schools, ranked in groups 1, 2, 3 and 4 whilst the boys complete a series of tennis related challenges. In the second round they swap over. Both matches and skills contribute to the team's final score.
